## CITIZEN OF THE YEAR 2018

Nominations are now being sought for Salcombe's Citizen of the Year 2018.

This is a prestigious award which is presented each year to a resident, or volunteer in the town, of Salcombe. Candidates will have given their time and energy, normally on a voluntary basis, to benefit the local community. There is no age barrier set for the recipient of the award.

The winner of the award will receive a plaque and will be invited to a Town Council meeting or event where the commemorative plaque will be presented. In addition, his or her name will be added along with previous recipients to a commemorative display board which is hung in the Salcombe Library, Cliff House.

Application forms are available to download here, from the Town Clerk's office in Cliff House, or simply write a letter letting us know who you wish to nominate, explaining why they should deserve the award and bring in or send to the Town Clerk, Salcombe Town Council, Cliff House, Cliff Road, Salcombe TQ8 8JQ.

Please note that all nominees must be asked for their permission to be nominated.
