

A message from Chillington Health Centre, Dartmouth Medical Practice, Modbury Health Centre, Norton Brook Medical Centre, Redfern Health Centre and the South Hams Community Teams

To all our patients: We would like to thank you for your forbearance support and indeed cheerfulness in these unprecedented times. We greatly appreciate how your interactions with us have had to change over a very short time and with little notice. Thank you for adapting and for helping us to be here for you.

Please be reassured that we are doing absolutely everything we can to keep us all safe and well.

We would also like to give a massive thank you to all the community organisations and volunteers who have come together so quickly to help support us and you. This is truly a team effort and we have all been humbled by your efforts. Thank You !

We stay at work for you , please stay at home for us.

If you are interested in becoming a volunteer and supporting the NHS at this time, please download the GoodSam app and find out what you can do to help our local community.
