

ORD 2103669
Cliff Road Salcombe

Friday 4th August 2023

Dear Sir / Madam.

This letter is to give you some information about the forthcoming resurfacing works on Cliff Road in Salcombe.

Due to the nature of the works road closures are required and the diversionary route for traffic will signposted and advance signs will also be placed on the Highway.

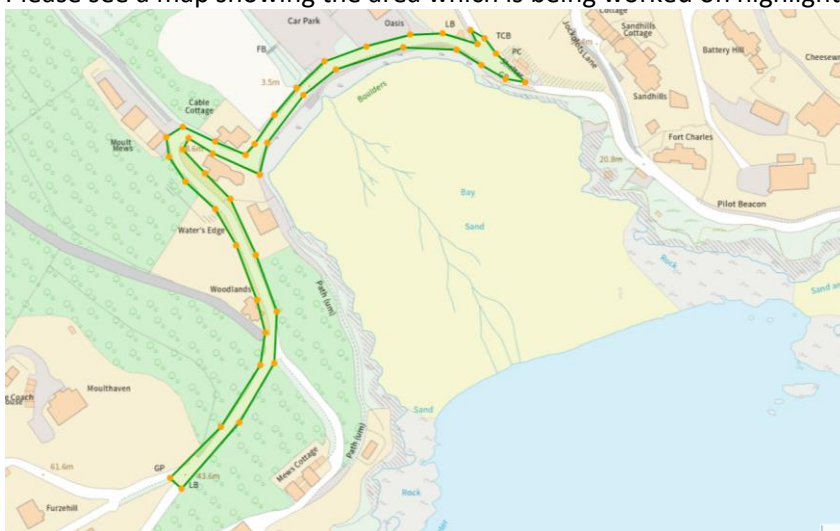

I apologise in advance for any inconvenience caused, including construction noise. We will endeavour to keep all disruption to a minimum. Access for residents and emergency vehicles will be maintained although some delays must be expected

The planned on-site working hours will be

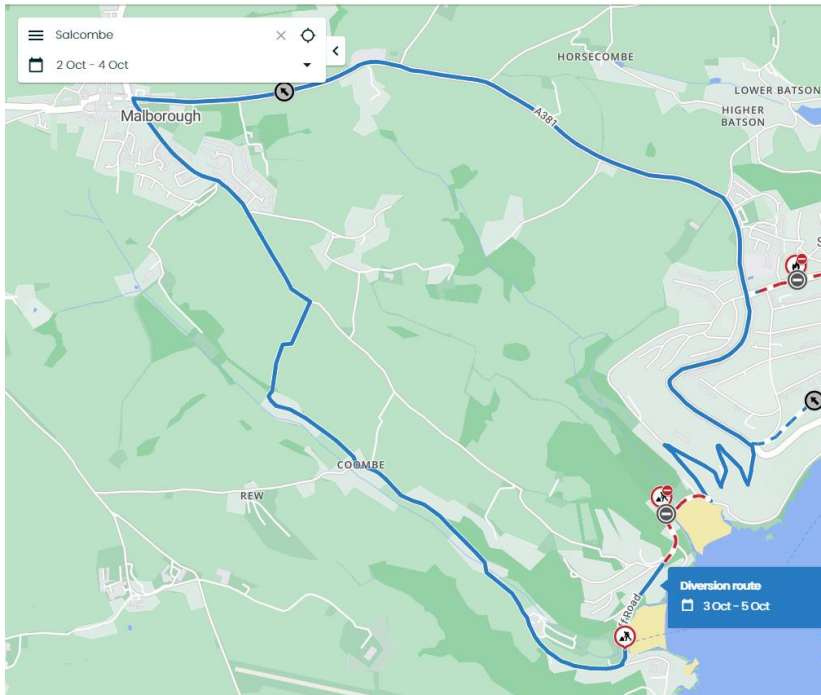

- **Tuesday 3rd October until Thursday 5th October.**
- Cliff Road will be milled out, various sunken areas will be addressed and all related ironwork will either be reset or replaced.
- Finally the whole section including some adjacent potholes will be resurfaced and relined.

There will be a site foreman available for residents to speak to and arrange access as necessary.

Please see a map showing the area which is being worked on highlighted in **orange**.

There will be a full signed diversion route in place highlighted in blue below.

Thank you for your patience and understanding while we are carrying out these works.

Should you have any questions please contact me at Phil.Durrant@devon.gov.uk I will do my best to try to help.

Regards
Phil Durrant
Stakeholder Relations Officer
