

**ORD 2200956**  
**A379 East Charleton Drainage- Daytime full closure (0900-1530)**  
**then Traffic Management**

Monday 2<sup>nd</sup> October 2023

Dear Sir / Madam.

This letter is to give you some further information about the drainage works that we are carrying out on A379 in East Charleton.

Due to the nature of the works a day time road closure is required and the diversionary route for traffic will signposted and advance signs will also be placed on the Highway. Extra signs **will** be provided stating local businesses are open at each end of the closure.

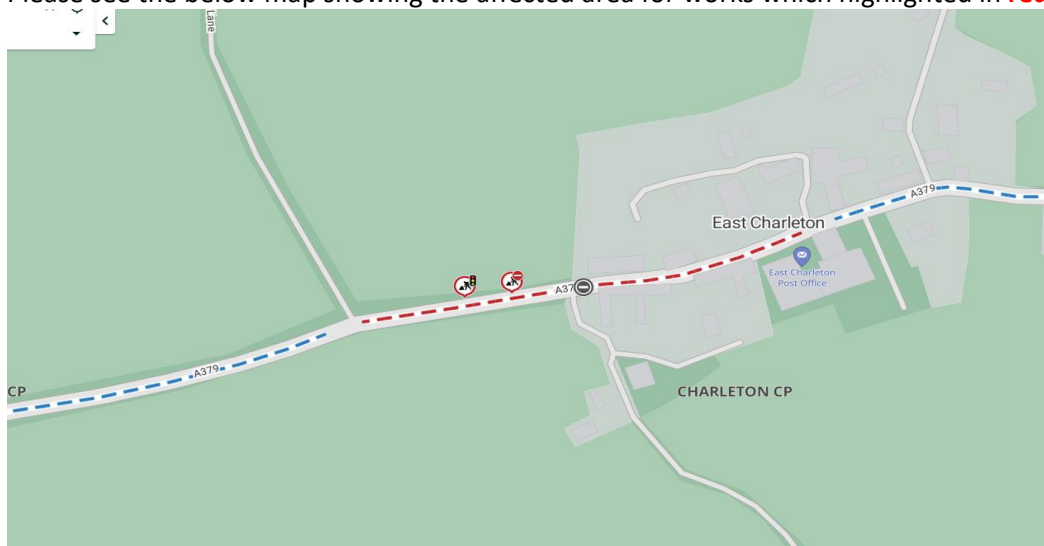

I apologise in advance for any inconvenience caused, including construction noise. We will endeavour to keep all disruption to a minimum.

The planned on-site working hours will be **Monday 13<sup>th</sup> November until Monday 4<sup>th</sup> December 2023**

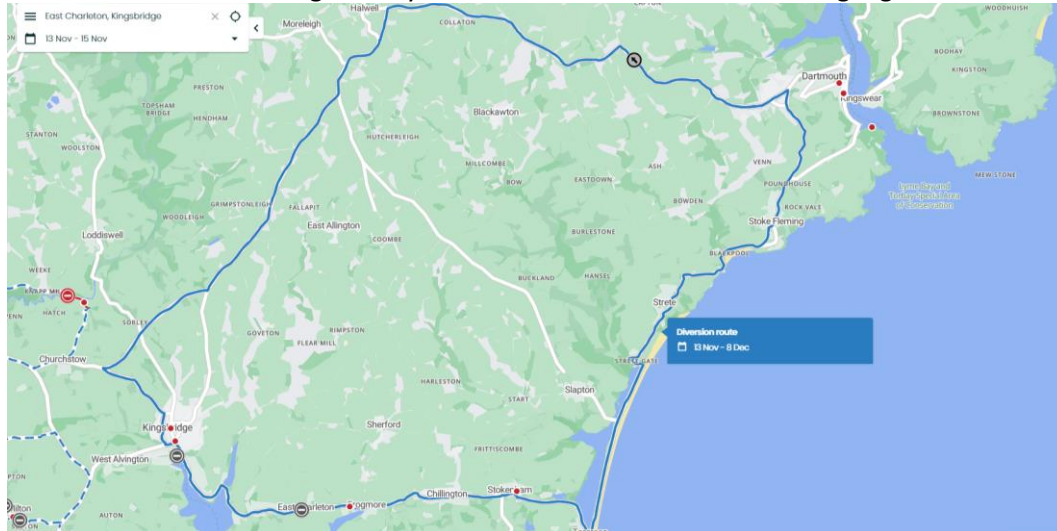

**Our planned programme for the delivery of the work is:**

- Excavation and replace and repair existing drainage and drain chambers across the A379 in East Charleton.
- Reinstate of the road surface and some associated patching.
- **The road will be closed from 0900-1530hrs Monday to Friday. Outside these hours, Traffic Management can be used and the road will be reopened with those restrictions in place.**

Please see the below map showing the affected area for works which highlighted in **red**.

The diversion route during the daytime closure will be as follows as highlighted in **blue**.

Please note, this is the official diversion route and whilst drivers with local knowledge may wish to use local roads, Devon County Council will only promote this official diversion route.

Information will be posted on our Devon Alerts social media and can be found here

Furthermore, a special dedicated webpage will be available on [Roadworks - Roads and transport \(devon.gov.uk\)](#) from just before until completion of the works.

Thank you for your patience and understanding while we are carrying out these works. Should you have any questions please contact me at [highway.highwayscommunityliaison-mailbox@devon.gov.uk](mailto:highway.highwayscommunityliaison-mailbox@devon.gov.uk) and I will do our best to try to help.

Regards

Phil
